 **FTA** fall  
**TECHNICAL**  
**CONFERENCE**  
WITH INFOFLEX

The Flexographic Technical Association's Annual Fall Technical Conference with INFOFLEX is an immersive flexographic experience that brings together the brightest minds and innovators in the flexographic printing industry.

**For Brand Owners**, this represents an unparalleled opportunity to delve into the latest advancements, techniques, and technologies that are shaping the future of flexography. The insights gained here can directly impact the quality, efficiency, and overall success of your brand's shelf appeal.

## Who We Are

Since 1958, Flexographic Technical Association (FTA) has been enabling flexographers to grow their skills, connect with like-minded individuals, expand their reachable markets and drive flexography to package printing dominance.

**Brand Owners**, your admission is covered, lodging is included, and travel expenses are reimbursed up to \$400.00.
