

INFOFLEX at Fall Technical Conference Booth Construction Rules and Regulations

Booth Size

Please note that all Booths for INFOFLEX at Fall Technical Conference are 10' X 10'.

Linear Booth

The majority of 10' X 10' booths at INFOFLEX at Fall Technical Conference are "in-line" booths and are generally arranged in a straight line with neighboring exhibitors on your immediate right, left or both sides leaving only one side exposed to the aisle.

Use of Space

Display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors. The maximum height of 8ft (2.44m) is allowed only in the rear half of the booth space, with a 4ft (1.22m) height restriction imposed on all materials in the remaining space.

Corner Booth

A Corner Booth is a Linear booth at the end of a series of in-line booths with exposure to intersecting aisles on two sides. All guidelines for Linear Booths apply.
